

NEL Framework 2022 now integrates the teaching and learning of Mother Tongue Languages (MTL)

The learning area of Language and Literacy has been broadened to include the learning of MTL and the local ethnic culture.

What are the broad objectives of the teaching and learning of MTL at the pre-school level?

What are some key considerations in designing and implementing a quality MTL curriculum?

Nurturing Values, Social and Emotional Competencies, and Learning Dispositions

Wondering how you can support children's development in these three aspects?

Call for Activity Ideas

If you have activity ideas on MTL teaching and learning or examples on how to support children's development in values, social and emotional competencies, and learning dispositions, [share](#) them with us!

The NEL Symposium is on 3 Nov 2022.

[Sign Up here](#) by 25 Oct!
